

BC Hereford Association Junior Report

Bonanza 2018 was held in St. Hyacinthe Quebec this year; there were 105 juniors and 130 head of cattle. Juniors were there from all provinces, the US and Finland with BC represented by two members. Although they didn't have their own animals there, they were able to borrow animals from members in Quebec to show in Grooming and Showmanship.

Our BC boys, Ken & Billy Paul managed to round up a couple more stand in "BC members" from other provinces to form a team of four for the Great Griller Competition. They won and came home with this year's winning Bonanza aprons!

Bonanza 2019 is in Weyburn, Saskatchewan so we hope to have more BC Juniors out to that one. There are many opportunities to borrow cattle there to show, with Bonanza purchase programs for cattle in Saskatchewan. We could possibly coordinate hauling our own BC Cattle to Saskatchewan as a group. If you have any questions or would like more information, please contact your BC Adult Advisor Debbie Paul or Canadian Junior Hereford Delegate Billy Paul at 604-856-6381 or friday5pm@shaw.ca

Closer to home we have some great Jr. Hereford events coming up this summer for our members with Junior Showmanship Competitions. We would like to hold them in conjunction with our MOE shows. One will be held in Vanderhoof at the Nechako Valley Exhibition on August 18th if there are enough entries. Please contact Janice Tapp at ttapp@bcgroup.net for details. In Aldergrove on September 8th one will be held along with the MOE show at North Bluff Farms. Please contact Debbie Paul for details and entries in Aldergrove. There will be lots of Hereford Store Prizes to be won!

We hope to add one more Junior Showmanship competition on Vancouver Island starting this year and will be sending out details on that one in the future.

Debbie Paul, BC Junior Adult Advisor
