

## **West Coast Hereford Club Review of Events (2017)**

The West Coast Hereford Club (WCHC) held their 2017 Annual General Meeting on Tuesday, 10 April 2018 at the White Spot Restaurant in Aldergrove, BC. Events and activities from 2017 were reviewed and discussed. With the success of our annual MOE Show each September, it was decided to cancel our annual Field Day get-together.

The WCHC MOE Show held on 10 September 2017 at North Bluff Farms, Aldergrove, BC and enjoyed an excellent turnout – 23 entries from six farms. Interest in the show appears to be holding steady and we are looking forward to attracting more entries in 2018. Special thanks to Vic & Judy Redekop for offering up their farm for the MOE Show and providing many hours of hard work and organization.
