

Yellowhead Hereford Association

2017 was highlighted by Bonanza. A fantastic experience for the members that attended. Everett and Breanna Himech, Bailey Spooner, Weston and Evan Warkentin attended. They did very well in all they participated in and we are very proud of them.

The MOE show in Burns Lake in September was enjoyed by all. There were 9 Hereford breeders in attendance. It was great to see such a turn out.

Don Richardson put countless hours of work to produce the very attractive directory. Jamie also put a great effort into the production. Thank You!!!!.

The 2018 AGM, held April 12th, was well attended. The executive remains almost the same with the exception of vice president. President: Don Richardson, Vice President: Jamie Richardson, Secretary/Treasurer: Janice Tapp. Our directors for this year are: Adrienne Dickson, Bonny Morley, Patty Pyy, Leslie Richardson, Ken Rose. Sheila Solmonson is our BCHA rep and Trevor Tapp is our Vanderhoof All Breeds Bull Sale rep. A new position for us this year is our Junior Rep; Nic and Weston Warkentin are sharing the job this year. The next AGM will be held in conjunction with the bull sale, same as previous years.

The Vanderhoof bull sale catalogue, designed by Jamie, looks very professional. We are hearing great comments. There will be 10 Hereford bulls on sale from 3 contributors.

We usually only have one meeting a year and that is the AGM in conjunction with the Vanderhoof All Breeds Bull Sale; other business and projects are carried out by the executive and committees.

The committee to set up for the BCHA AGM has been in contact via phone and email. Janice has spear headed the organizing and it appears everything is coming together. A block of rooms were secured at Country Inn for members attending. Scott's Grill and Pizzeria will host the supper and meeting. All Hereford association members are encouraged to attend.

A silent auction will be held in conjunction with the meeting to help with promotional cost of the Hereford breed.

We are expecting an excellent display of cattle from the Yellowhead breeders at the MOE and welcome all other producers.

See you at the Fair (MOE Show) August 17th, 18th and 19th

Respectfully submitted

Sheila Solmonson
